Event Information

The Conquering the beast events will include a Professional Bull Riding (with the riders being members of the Team Spur'n with Jesus), a Christian Concert (geared towards the youth), and there will also be a Guest Speaker (addressing relevant issues like staying in school, developing character. Saying no to drugs and alcohol, and not giving up on their dreams).

The League puts a firm focus on Christian values and only aligns itself with sponsors and investors that share this attitude of wholesome living and building stronger communities.

Your CTB sponsorship will provide an opportunity to partner with an extreme event designed to impact today's youth with a positive message.

Vision

To provide a healthy and wholesome environment in which the youth and young adults of Texas and the world can participate in the western programs that they love.

Purpose

To make a difference in as many young people's lives as possible, while using the extreme sport of rodeo, and equipping them with a strong set of values.

Goal

To see that all of those who come to us and participate in our programs be ministered to, and become successful in both the arena of life and the western/ rodeo world. We desire to see families built up rather than torn down by the rodeo world and western lifestyles, and challenge them to become victorious. We also desire to challenge kids to stay free from Drugs and alcohol and to never give up on there dreams. In short, we desire to impact our community, the rodeo world. The western world , and all those we come in contact with for Christ.
