

SCOTT MENDES - WORLD CHAMPION BULL RIDER

From the age of 5, when he rode his first calf, Scott knew that he was destined to become a rodeo champion. Although he has been a professional rodeo athlete since 1988, he has been a cowboy all of his life. Scott's earliest memories are of working ranches and the rodeo arena. His father taught Scott skills like roping, working cattle, breaking colts and the value of a hard days work, just the way his father had taught him. Scott learned to use the skills and teaching to serve him well, 'en route to his first world championship.

When asked about his goals after rodeo, Scott is quick to state that he wants to establish and operate a Christian ranch for underprivileged children, to prepare them with Biblical principals that will assist them in their quest to lead a life of fulfillment.

Scott credits all of his talents and success, first of all to God, for His blessings, and secondly to his beautiful wife Angel, who has stood beside him and supported him through all of the challenges of pursuing a lifetime passion in order to further a sport Scott truly loves. Scott is a loving husband to his wife Angel and a proud father of his son Kaden. Having a treasure such as his son, Kaden Joshua, strengthens Scott's resolve to live a life that exemplifies love and excellence both at home and abroad.

"But what things were gained to me, these I have counted lost for Christ. Yet in deed I also count all things lost for the excellent of the knowledge of Christ Jesus my Lord, for whom I have suffered the loss of all things, and count them as rubbish, that I may gain Christ..."

PHILLIPPIANS 3:7-8

"My main goal is to always glorify God by conducting myself in a manner that is pleasing to Him, by living a lifestyle of faith and sharing the uncompromised Word of God."
